Six-Month Quote Guarantee:

We hold and honor our price quotes for 6 months – that's six times longer than the 30 days most companies honor! This gives you time to confirm that our prices are the lowest and to place your order when it suits you best.

Credit/Payment Terms:

We accept Visa, MasterCard, Discover, American Express, GSA/SmartPay, and bank checks. We also offer level II capability under the Corporate Procurement Card Process. We will invoice on a net 30 day basis to open accounts with approved credit. To set up your account with us or review terms, please contact our Credit Department at 800-926-4613.

Quality Inspection/Product Tolerances:

Our products are inspected to be sure they meet our strict specifications and quality standards. And our poly products meet industry-specified thickness standards. Some distributors sell poly products that are downgauged up to 20%, but we give you what you pay for. All items are manufactured within industry recognized standards, though tolerances may vary according to product line. Please contact our sales representatives for more information.

Damage in Shipment:

Despite our best efforts, items may occasionally be damaged in transit. Freight carriers are liable for damages only when damage is indicated on the bill of lading before you sign for the shipment. Therefore, we recommend that you inspect the outside and contents of all cartons received. If any damage is found, write details on the bill of lading and save the shipment, including the outside container and inside packing material. Ask the delivery carrier to make an inspection immediately. Per ICC regulations, it is the responsibility of the consignee to file a damage claim with the carrier promptly after inspection. For assistance and replacement information contact our Customer Service Department.

Returns:

Most items may be returned within 60 days of receipt. Please call, fax, or write our Customer Service Department for a Return Authorization Number and shipping instructions prior to return. Shipping charges should be prepaid unless otherwise arranged in advance. All merchandise must be carefully packed and will be subject to charge if not in saleable condition.

Pricing:

All prices displayed in this catalog are subject to change based on current market conditions. Our website will always reflect the most current pricing.

We are required by law to collect state sales tax in California, Illinois, Minnesota, Nevada, Pennsylvania, Texas, and Wisconsin; plus any applicable county, local, or district taxes in those states. Please add this amount to your order total (see order form). If you are tax exempt, please submit your certificate for our files. If you are located in any other state, you are responsible for remitting applicable sales and/or use taxes to the proper taxing authority.

Having no control over the use of the products in this catalog, we assume no liability connected with their use. Under no circumstances are we or the seller liable for any loss, damage, or expenses of any kind arising out of the use of or inability to use our products.
